Chapter 4 – Regulatory Issues

Workers’ Compensation Insurance

If you have employees, you must carry Workers’ Compensation insurance at your expense. The Arizona Industrial Commission administers Workers’ Compensation insurance. The purpose of the insurance is to provide medical benefits and compensation to covered employees injured in work-related accidents.

You may choose to insure your employees through the State Compensation Fund by insuring with an authorized insurance carrier or by qualifying with the Arizona Industrial Commission as a self-insurer.

Environmental Codes and Services

Mesa Fire Department
The Mesa Fire Department is responsible for ensuring compliance with local fire codes by local businesses. Fire Code Compliance is achieved in two ways:

- Through the review of construction or development plans. Questions regarding this process should be directed to the Fire Plans Examiner located in Building Permits and Inspections. The Plans Examiner’s hotline number is 480-644-4273.
• Through an ongoing business inspection program performed by the Mesa Fire Prevention Office. For questions concerning these inspections and codes requirements call 480-644-2622.
